(F) Competitive Pricing

The screenshot displays the 'Telus DSD QA' application interface. The top navigation bar includes the application logo, a search bar, and the title 'Competitive Pricing'. The main menu on the left lists various features: Order Entry, Payment Info, My Invoices, Delivery Tracking, Statements, Competitive Pricing (highlighted), and User Management. The 'Competitive Pricing' section is currently active, showing a 'Report' configuration screen. This screen has tabs for 'General' and 'Report', with 'Report' selected. It features four 'Group by' sections (Group by 1, Group by 2, Group by 3, and Group by 4), each with a dropdown menu set to 'None'. Below each dropdown are radio buttons for 'Ascending' (selected) and 'Descending', and checkboxes for 'Exclude', 'Page break on new group', 'Suppress header line', and 'Suppress total line'. At the top right of the report configuration area, there are buttons for 'Print', 'Cancel', and 'Save'. The top right corner of the application shows a status bar with 'IGNITION QA DSD 189' and several utility icons.
