product from restricted products group

(F) Admin setting

The screenshot displays the 'Authorized Products' management interface. The top navigation bar includes a header with a food image, the title 'Authorized Products', a status indicator 'IGNITION QA DSD DEF', and user controls. The main content area has two tabs: 'Authorized products (DSD)' and 'Restricted product list', with the latter being active. Below the tabs, there are radio buttons for 'Products' and 'Product restrictions group', with the second option selected. A 'Product restrictions group' section contains a search box with the text 'Category' and a dropdown arrow, along with '+ Add category' and 'Delete' buttons. At the bottom, a table lists categories with their IDs and descriptions.

| Category | Description |
|----------|----------------------|
| 000027 | Bakery Deli |
| 000031 | Blk Mil for Otsd Pur |
| 000032 | Blk TrL for Otsd Pur |
