A screenshot of a "Product Catalog" page. The background features a repeating pattern of lime slices. At the top, there are links for "Product Catalog", "Cart", and "Return to Login". Below the header is a search bar and filter options: "Sort by best match", dropdowns for "All Categories test", "All Sub Categories", and "All Brands", a "Reset filter" button, and a "Search products" input field. The main content area displays a grid of product thumbnails. The first thumbnail shows a bag of Perdue Chicken Breast Nuggets. The second shows a bottle of Unger Chemicals cleaner. The third shows a slice of marble cake.

The screenshot shows the Order Entry application interface. On the left, there is a vertical sidebar with icons for navigation. The main header bar includes the title "Order Entry" and a "IGNITION QA DSD 189" badge. The top navigation menu has tabs for "Orders", "Order Guides", "Standing orders", "All orders", "Inventory", "Order control list", "Catalog", and "Reports". A "Customer info" dropdown is also present. Below the header, there are input fields for "Name" and "Account ...", a "Imp Notes" button, and a "Address:" field with a location pin icon. A message box displays the text: "This customer is not scheduled for any delivery dates." The background of the main content area features a repeating pattern of lime slices. At the bottom of the screen, there is a decorative footer element consisting of a grid of colored squares.
