(F) scenarios for User and Accounts admin feature, for user and accounts

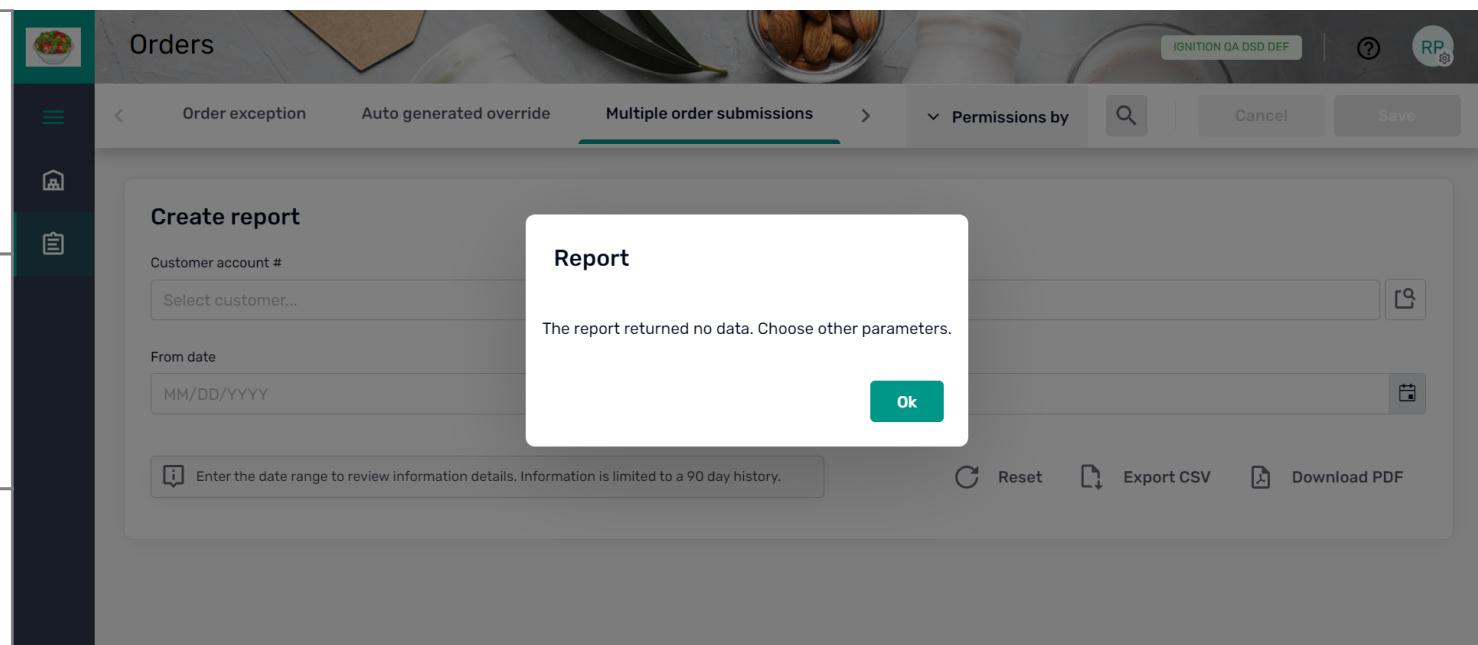

The screenshot shows a web application interface for managing orders. The main header includes the text 'IGNITION QA DSD DEF' and a 'RP' icon. The top navigation bar has tabs for 'Order exception', 'Auto generated override', 'Multiple order submissions' (which is selected), and 'Permissions by'. Below the tabs is a search bar with a magnifying glass icon and buttons for 'Cancel' and 'Save'. On the left side, there's a sidebar with icons for a grid, a house, and a document. The main content area is titled 'Orders' and features a 'Create report' section with fields for 'Customer account #' (with a placeholder 'Select customer...') and 'From date' (placeholder 'MM/DD/YYYY'). A note below these fields says 'Enter the date range to review information details. Information is limited to a 90 day history.' To the right of the report section is a modal dialog with a dark background. The modal has a title 'Report' and the message 'The report returned no data. Choose other parameters.' at the top. At the bottom right of the modal is a green 'Ok' button.
